

Bukenya Hashim's inspiring journey with the NRM party is truly remarkable. As a dedicated member since 2006, he has made significant contributions to social welfare, national stability, and grassroots development.

Notable Contributions

- ***Rescuing Neglected Girls*:** Hashim has shown compassion by rescuing neglected girls in the diaspora, highlighting his dedication to social welfare. He achieves this by reporting cases to high authorities, ensuring the girls receive assistance.
- ***Supporting Security Organs*:** He has contributed to national stability by supporting security organs in maintaining peace.
- ***Promoting NRM Leadership*:** Hashim has showcased his loyalty to the NRM party by promoting President Museveni's re-election and backing Muhoozi Kainerugaba's potential presidency.
- ***Focusing on Community-Driven Initiatives*:** As CEO of UMTA API Culture, Hashim has demonstrated his dedication to grassroots development.

Background and Inspiration

Hashim's interest in supporting the NRM party stems from its commitment to socio-economic transformation and fighting injustice. He believes in the party's principles of social democracy and liberation, which align with his own values.

UMTA API Culture: A Vision for Community Development

Hashim founded UMTA API Culture to promote community-driven initiatives and support grassroots development. Through this organization, he aims to empower local communities, promote economic growth, and foster social progress.
