

Mr. Bukenya Hashim Stanch

CEO, UMTA API Culture

Director, UMTA API Culture Community Project

Western Ankole Coordinator, UMTA

About Me

37, married with two children, and a native of Kakoba, Kyapotani Village, District Mbarara County, Uganda. Passionate community developer and mobilizer dedicated to empowering marginalized communities in Western Ankole and Greater Masaka, Uganda.

Mission

Founder of UMTA API Culture Community Project, aiming to decrease poverty and promote cultural heritage through cultural exchange, education, and economic empowerment.

Background

Avid supporter and mobilizer of the National Resistance Movement (NRM), promoting government projects and initiatives benefiting local communities.

Education

Certificate in Agriculture, Bukalasa Agricultural College

Skills

- Community development and mobilization
- Project management and implementation
- Cultural preservation and promotion
- Poverty eradication and economic empowerment
- Government project management

Achievements

- Successfully implemented community development projects in Western Ankole and Greater Masaka
- Mobilized government support for local initiatives
- Empowered marginalized communities through cultural preservation and economic empowerment programs

Special Acknowledgments

I would like to extend my heartfelt gratitude to the following individuals and organizations for their unwavering support and contributions to the UMTA API Culture Community Project:

- *Ajir Namirembe*: Founder of UMTA API Culture and Second Director
- *Hajji Abas Bwanika*: Main Sponsor and Greater Masaka Coordinator
- *Muslim Teachers Association*: Offered invaluable support and guidance

About UMTA

UMTA is an umbrella organization for UMTA Apiculture, serving Uganda for over 32 years. With millions of registered members across the country, UMTA has established partnerships nationwide, driving positive impact and empowering communities.

Community Impact

Through UMTA's efforts, we have empowered communities by:

- Promoting education and skills development
- Enhancing economic empowerment through sustainable livelihoods
- Preserving cultural heritage and promoting cross-cultural understanding

Our work continues to transform lives and communities across Uganda.
